Beyond the Broker State: Federal Policies Toward Small ...

In Beyond the Broker State, Jonathan Bean considers the impact of this ideology on American politics from the Great Depression to the creation of the Small Business Administration during the Eisenhower administration. Bean's analysis of public policy toward small business during this period challenges the long-accepted definition of politics as the interplay of organized interest groups, mediated by a 'broker-state' government.

Beyond the Broker State | Jonathan J. Bean | University of ...

In Beyond the Broker State: Federal Policies Toward Small Business, 1936-1961, he describes the development of the federal government's policies toward small businesses from the Great Depression through the Eisenhower era. Bean discusses the political process that led to two significant laws—the Robinson-Patman Act and the Miller-Tydings Act—and finally to the Small Business Administration.
