Coaching Presence Building Consciousness And Awareness In Coaching Interventions. One of the hallmarks of maturity as a coach is awareness of how a coach's values, beliefs and emotions influence coaching interventions. Coaching Presence examines how self-awareness can be built across key aspects of coaching practice, introducing a model that will help you make a conscious and deliberate choice for every approach or intervention that you use with your client. It explores how, by paying close attention to the motivations behind every coaching choice, you can minimize the unconscious negative influences and bias to produce the best outcome for the client and their wider system.
