Changes to the EYFS 2021. The Department for Education is to change the Early Years Foundation Stage (EYFS) in 2021. The government says the changes will improve outcomes for all children, but particularly the language and literacy outcomes for disadvantaged children and reduce teacher workload. The DfE sought responses to these proposed changes to the Early Years Foundation Stage (EYFS) between 24 October 2019 and 31 January 2020.

History began to change in 1789 when the French Revolution broke out followed by the Enlightenment – the creation of a new framework of ideas about man, society and nature. In addition, further economic and social changes were brought forward with the industrial revolution firstly in England and then in the whole of Europe.

Before we dive into the specific physical changes and experiences of early adulthood, let ' s consider the key developmental tasks during this time—the ages between 18 and 40. The beginning of early adulthood, ages 18-25, is sometimes considered its own phase, emerging adulthood, but the developmental tasks that are the focus during emerging adulthood persist throughout the early adulthood years.
