Free+style is an interactive way to learn how the body is designed to move through space and how to interact with our constantly changing surroundings. Using this framework and four basic movements, Paoli will help you maximize your efforts in sport and life, regardless of specialty.

Free+style: Maximize Sport and Life Performance with Four ...

Carl Paoli's Free+Style is a comprehensive look at four basic physical movements and a thorough description of how to apply these movements to other sports, exercises and everyday life. Paoli's greatest strength is his ability to regress and progress a particular movement, modifying it to make it simpler to perform or showing how it can be advanced into more difficult feats of strength.
