The Bailey Family has a new puppy, named Hallie. As hard as the Bailey's work to care for her, Hallie is working just as hard to care for them. Everyone in the family, including Hallie, feels pride, contentment, gladness, gratefulness, and satisfaction in the ways in which they show love to one another.

Students in the 21st century still need to develop traditional reading and writing skills, and they must also learn how to use technology for communicating and collaborating in new ways. This book offers specific teaching strategies for developing student literacy in using search engines efficiently, evaluating information found on websites, avoiding plagiarism, communicating with a wide audience, working collaboratively, and creating multimedia products.

As the American Revolution in the North drew to a stalemate around New York, in the South the British finally came to terms with the reality of defeat. Southern sites like Kings Mountain, Cowpens, Charleston, the Chesapeake and Yorktown were vital to American independence. The origin of the five Southern colonies - Maryland, Virginia, North Carolina, South Carolina and Georgia - their development, the role of patriot and loyalist Southerner, and critical battles are examined. Included is a discussion of the leadership of the British forces and of the colonial patriots who inspired common citizens to fight for the sake of American independence.

Britain's best-loved comedian hits the most famous highway in the world on an unforgettable journey. Billy Connolly, music-lover, biker, and scourge of the beige and bland the world over, has dreamed about taking a trip on the legendary Route 66 since he heard Chuck Berry belting out one of the greatest rock 'n' roll records of all time. And now he's finally had the chance to do it, travelling every mile on his custom-made trike in search of the real America that can still be found beyond the nation's freeways. Taking in both the essential icons and the hidden gems of the 'Mother Road', Billy also meets up with plenty of the memorable characters who call it home. With his instinct for a good story, and the infectious enthusiasm that has made him our most engaging national treasures, Billy Connolly is the ultimate guide to the ultimate road trip.

This collection of late antebellum U.S. Senate speeches exemplifies the official statements of the public men from the South, North, and West as they struggled with the questions of national identity and the right of self-government within the context of the rule of law.

The first Navajo woman surgeon mixes Western medicine with traditional healing practices to create a uniquely modern synthesis that emphasizes harmony and a strong connection to the natural world. Reprint.
