As I sit down to put my
thoughts into words for the
7th revised edition of my
Textbook of Pathology, I
look back with satisfaction
how this book has grown
phenomenally since its
modest beginning in 1992.

The Harsh Mohan Pathology textbook has been carefully updated to the 7 th edition to include the latest knowledge in the field. It is the best book to read in Undergraduate exams and also in admission exams. I see a lot of people advising to read Robbins basic pathology in UG, but I'm not in favor of it.
