With "How to Draw Stupid" on the other hand Kyle Baker succeeds in making a book that's uniquely his. Baker's lighthearted look at cartooning really doesn't have any concrete drawing lessons, but instead looks at the basics of communicating and being entertaining. It focuses more on how to draw feelings than figures.

Stupid | How To Draw

This is a terrible book. Anyone who has given this more than one star clearly has no idea of drawing or how to learn how to draw. If you want to learn how to draw a funny animal, you learn about drawing a circle for the head, then a relative shape for the body, larger or smaller than the head, then the details such as eyes, arms etc.
