IB Business Management - IB Business Management

# Read Book Ib Business And Management Formula Booklet

Business management studies business functions, management processes and decision-making in contemporary contexts of strategic uncertainty. It examines how business decisions are influenced by factors internal and external to an organization, and how these decisions impact upon its stakeholders, both internally and externally.

Business management guide

Formula:  $\text{Annual Depreciation} = (\text{Original Cost of Asset} - \text{Estimated Salvage Value}) / \text{Estimated Useful Life}$ . Example 2: You buy printing equipment for \$78000, plan to use it for 6 years and can sell...
