Juki Service Manual

That's exactly what [Charliex] is doing with this Juki 360 rebuild. A bit of background is in order here. [Charliex] is working alongside other hackers at Null Space Labs to restore this hardware.

pick and place
A fair number of hackers reach that awkward age in their careers – too old for manual pick and place, but too young for a full-fledged PhP machine. The obvious solution is to build your own PhP ...
