Making Shaker furniture is much like making other types of furniture. To make good furniture you must have the right tools. During their heyday, Shakers used only hand tools to make their beautiful furniture. If you want to follow their methods exactly, you can still find all the hand tools they used, much like this toolset seen here.

Part 2 – Making Shaker Furniture The Modern Way

Some of the most enduringly popular American antique furniture, known as Shaker style, was made not by a single designer, but by a group of people who shared a set of beliefs and an aesthetic.At its height, the Shaker movement included some 6,000 members living in 19 villages stretching from Maine to Indiana—yet this tiny group of people had an impressive impact on American style and design.
