It's a courtesy opener, especially in a formal hearing or trial when the judge has asked the parties to state their appearances. All that means is the attorneys and the parties to the case are identified for the record. I stand up and say "May it please the Court, (my client's name here) appears in person and by counsel, Lori Jones."

~~What does "May it please the court" mean?~~—Quora

Reflecting the author's experience as a political scientist, law student, judicial clerk, practicing attorney, and law professor, "May It Please the Court: Judicial Processes and Politics in America, Second Edition" redresses this imbalance by giving well-deserved attention to legal influences on judicial decisions and to the human drama of litigation.

ay it please the court. So the advocate begins...with a prayer. What is it that the coun-selor prays may please the court? We know that what pleases a legislator is having enough votes. What pleases a governor or president is having his orders obeyed. But what pleases a court is its being convinced of the rightness of the cause. The court wants reason, reason that

~~May It Please The Court~~

In 1993, Stephanie Guitton and Peter Irons's book-and-tape collection May It Please the Court made recordings of the Supreme Court in session available to the American public for the first time. In the first of a series of thematic sequels to that "greatest hits"collection, the editors have assembled arguments on perhaps the single most charged issue to face the Supreme Court in the second half of the twentieth century: the question of reproductive rights.
