This book helps pastors and church leaders understand the role their personal transformation as Jesus's disciples plays in effective congregational leadership. It shifts the focus of leadership from techniques and charisma to spiritual transformation and developing emotional maturity so leaders can effectively lead congregations to embrace change. End-of-chapter discussion questions are included. The first edition sold more than 20,000 copies and has been regularly used as a textbook over the past fifteen years. The second edition has been revised throughout and includes a greater emphasis on Bowen Family Systems Theory.

Follow the true story of a 15-year-old, impoverished, illegal immigrant as she deals with a devastating disease known as Myasthenia Gravis. She grew up in Glasgow, Scotland, where she lived with her two brothers and parents. Disenchanted with failed attempts to make a living, her father moved the family to the United States, with hopes of finding work. Financial ruin, alcoholism and lack of legal status, forced the family to go back to Great Britain. After selling everything they owned and purchasing plane tickets, Margaret becomes gravely ill, and the move is cancelled. A former gymnast, she quickly and suddenly loses the ability to speak, chew and swallow food, exercise, and ultimately, breathe. She suffers misdiagnoses, multiple hospitalizations, and unnecessary surgery, eventually landing in intensive care and on life support. She undergoes years of treatments, including total body irradiation therapy and chemotherapy. Countless medications fail to alleviate her symptoms, and cause life-threatening side effects. At the same time, she manages to complete high school and go to college. After graduating with a Master's degree, Margaret was accepted in to a doctoral program, along with her father. Knowing that she was physically weakened and mentally destroyed, her father gives up his job, and joins the doctoral program to support her. While going to school, and still in her twenties, she receives a terminal diagnosis, and told that she has approximately three years to live. Promising never to tell a soul about her prognosis, Margaret continues onwards, as best she can. Find out how a radical approach to treatment changed her life forever, as well as the lives of thousands of people living with Myasthenia Gravis. A truly remarkable and inspirational story of survival and resilience.

The second enthralling installment in Alex Rutherford's Empire of the Moghul series. 1530, Agra, Northern India. Humayun, the newly-crowned second Moghul Emperor, is a fortunate man. His father, Babur, has bequeathed him wealth, glory and an empire which stretches a thousand miles south from the Khyber pass; he must now build on his legacy, and make the Moghuls worthy of their forebear, Tamburlaine. But, unbeknownst to him, Humayun is already in grave danger. His half-brothers are plotting against him; they doubt that he has the strength, the will, the brutality needed to command the Moghul armies and lead them to still-greater glories. Perhaps they are right. Soon Humayun will be locked in a terrible battle: not only for his crown, not only for his life, but for the existence of the very

When it comes to love there's no such thing as conventional. Everyone thinks Colton Neely is special. Lilly Evans just thinks he's fascinating. Once friends when they were younger, their bond is cut short due to her accident prone nature and they go their separate ways. Years later, they meet again and Lilly learns that there is something special about the boy she once knew, but she has no idea what it all means. And she's not sure if she's ready to find out. When he walks through the corridor of her school the first day of her senior year, she knows that it's time to get to know the real Colton Neely. The more she learns, the deeper she falls. Their friendship grows into love, even as Colton does not express it in words. But one decision threatens to break down the world that Lilly has tried so hard to integrate into and she must figure out if the relationship can survive if they are apart.
