Misery is an American psychological horror thriller novel written by Stephen King and first published by Viking Press on June 8, 1987. The novel's narrative is based on the relationship of its two main characters - the popular writer Paul Sheldon and his psychotic fan Annie Wilkes. When Paul is seriously injured following a car accident, former nurse Annie brings him to her home, where Paul receives treatment and doses of pain medication.

Misery (novel) - Wikipedia

Annie Wilkes is a huge ex-nurse, handy with controlled substances and other instruments of abuse, including an axe and a blowtorch. A dangerous psychotic with a Romper Room sense of good and bad, fair and unfair, Annie Wilkes may be Stephen King's most terrifying creation. It's not fair, for example, that her favorite character in the world, Misery Chastain, has been killed by her creator, as Annie discovers when Paul's latest novel comes out in paperback.

Stephen King | Misery

King's Classic bestseller about a famous novelist held hostage by his Number One Fan. Misery Chastain is dead. Paul Sheldon has just killed her - with relief, with joy. Misery has made him rich; she was the heroine of a string of bestsellers. And now he wants to get on to some real writing.

Misery: Amazon.co.uk: King, Stephen: 9781473662070: Books

Finally, Misery is a classic King novel with its crazy twists and turns that are loaded with anxieties turned into disappointments, admiration turned into obsession, intelligence turned into savagery, and everything amalgamating perfectly to give you a story that will rock your core.

Misery: Amazon.co.uk: King, Stephen: 9780340390702: Books

Misery was my first ever Stephen King novel. There I was, an impressionable 14-year-old girl drunk on romances with none-fade-into-black sex scenes. Then my favorite English teacher recommended I read Misery. "Your life will never be the same," he said. He was right. Misery is about the kind of fan that loves their chosen celebrity a little too much. Like the man who shot John Lennon.

Misery by Stephen King - Goodreads

????????? This is the first Stephen King book I've read and I can't wait to read more. One of the best books I've ever read. The way he tells the story is just amazing. Synopsis: Misery Chastain is dead.

Misery is my first Stephen King novel and it has blown me away. How many times do we feel frustrated with the author for killing one of our favourite character or taking the plot in a different direction? Well Annie feels it too and the former nurse isn't your normal run of the mill crazy. She is neurotic and downright terrifying at times.

Misery.: Amazon.co.uk: Stephen King: 9780739476819: Books

Diane shares this intense drive to attend to the person she loves most with another iconic woman from thriller history: Annie Wilkes in the 1990 film adaptation of Stephen King's novel Misery, whose 30th anniversary passed just days after Run was released. A subtle Easter egg in Run makes the connection between the stories stronger still.

The Stephen King thriller reference you missed in Hulu's ...

Impressed by Reiner's emotionally rousing Stand By Me adaptation, Stephen King refused to sell the rights to Misery to anyone else. The director's humanistic sensibility and background in comedy vibed well with the novel's gallows humor and its relatively empathetic depiction of Annie.
