That's why she couldn't let him go. New York Times bestselling author Jaci Burton once again blisters the asphalt with an all-new novella in her Wild Riders series. A hot biker craves a life of passion and danger—and finds it with the woman he's sworn to protect.

There's a fine line between animal instinct and human desire—and in her “highly erotic saga” (Fresh Fiction), #1 New York Times bestselling author Lora Leigh crosses it. Now, in her new novel of the Breeds, the mating heat continues... Lion Breed and enforcer Rule Breaker has just a few rules he doesn't break. Not for anything. Not for anyone—like never have sex with a woman outside his own breed, especially a human woman. Especially someone too helpless, too fun loving and too full of life to ever be able to protect herself, let alone help him to protect her. If the damned animal inside him insists on a mate, then why pick her? A woman who is an easy target and who can be used as a weapon against him at any time. But what he suspects is mating heat may not be that at all. Just his animal instincts rioting, pacing, irritated whenever he's away from her. Okay, he can handle that. What ensues is a fiery affair that breaks all the rules of mating heat and will eventually endanger his mate with the very rules designed to protect the Breeds—for she's possibly been working against them...

When readers of dark romance and unbridled desire want to be satisfied, they turn to #1 New York Times bestselling author Lora Leigh and her “powerful and highly erotic” (Fresh Fiction) Breed novels. Now a Breed hides in the world of man—until a woman arouses the amused and wildly carnal animal within... Once, he was Judd—Bengal Breed and brother to the notorious fugitive Gideon. After Gideon disappeared, Judd was experimented on until his tortured body knew nothing but agony. Now he is Cullen Maverick, serving as the commander of the Navajo Covert Law Enforcement Agency in the small community of Window Rock, Arizona. Despite his genetics, Cullen is able to pass as human because his Bengal traits are recessed. He lacks the ability to smell the emotions, bonds and fears that other Breeds take for granted. And he remains tormented that he wasn't able to mate the woman he loved—at the cost of her life. He's no longer a Breed, merely a man. . . or so he thinks. But his tiger is about to be awakened by the one woman destined to be his—Chelsea Martinez. And their world will never be the same...
