The Health and Safety in Construction Revision Guide, written by the renowned health and safety author and former NEBOSH Vice Chairman Ed Ferrett, will be an invaluable tool for students as they prepare for their NEBOSH exam and for their subsequent health and safety work.

Introduction to Health and Safety at Work has been developed for the NEBOSH National General Certificate in Occupational Safety and Health. Each element of the syllabus has a dedicated chapter and both taught units are covered in this book. A chapter on international aspects also makes this book suitable for the NEBOSH International General Certificate in Occupational Safety and Health. Previous editions of this book have been used for other NVQ level 3 and 4 courses in health and safety. Full colour pages and hundreds of illustrations bring health and safety to life. To make studying easier, each chapter starts with learning outcome summaries and ends with questions taken from recent NEBOSH examinations. Specimen answers and a study skills chapter aid exam preparation. As an introduction to all areas of occupational safety and health the book acts as a practical reference for managers and directors with health and safety responsibilities, and safety representatives. It covers the essential elements of health and safety management, the legal framework, risk assessment and control standards and includes handy forms and checklists. New in this

Illustrations and tables to improve understanding Written by expert tutor of IEMA and NEBOSH environmental qualifications.

Andrew Furness and Martin Muckett give an introduction to all areas of fire safety management, including the legal framework, causes and prevention of fire and explosions, fire protection measures, fire risk assessment, and fire investigation. Fire safety is not treated as an isolated area but linked into an effective health and safety management system. Introduction to Fire Safety Management has been developed for the NEBOSH Certificate in Fire Safety and Risk Management and is also suitable for other NVQ level 3 and 4 fire safety courses. The text is highly illustrated in full colour, easy to read and supported by checklists, report forms and record sheets. This practical approach makes the book a valuable reference for health and safety professionals, fire officers, facility managers, safety reps, managers, supervisors and HR personnel in companies, as well as fire safety engineers, architects, construction managers and emergency fire services personnel. Andrew Furness CFIOSH, GIFireE, Dip2OSH, MIIRSM, MRSH, is Managing Director of Salvus Consulting Limited who specialise in Fire Safety. He was the chairman of the NEBOSH / IOSH working party that developed the NEBOSH Fire Safety and Risk Management certificate. Martin Muckett MA, MBA, CMIOSH, MIFireE, Dip2OSH, former Principal
