Foundations of Strategy, Canadian Edition is a concise text aimed at both undergraduate and MBA students. With the needs of these students in mind, the authors made sure that the text was written in an accessible style, with a clear, comprehensive approach and sound theoretical depth. An excellent set of current and in-depth Canadian and global cases will show students how to apply the strategy concepts in real-world scenarios. Today's strategy modules are delivered in a wide variety of different formats to a wide range of audiences. Instructors frequently find themselves faced with the challenge of delivering their modules in relatively short time frames to student groups with very diverse educational and employment backgrounds. This text is designed to assist instructors in meeting this challenge by covering the core aspects of strategy as concisely as possible without losing academic depth.

Children of all ages will let their imaginations run wild as they learn that there are no limits to what can be created with LEGO. And easy-to-follow instructions are included for several of the models!

The escapist novel, which is about the murders and conspiracies committed by Galina by using hatred, lust and love, who tries to cope with her feelings of worthlessness after joining The Russian Foreign Intelligence Service - SVR. It masterfully composes thrills, dangers, uncertainty and gruesome deceptions, as the speed of developments and conclusions of the events will constantly change your emotions. Furthermore, the artful illustrations of espionage and counterespionage activities of psychoanalysis will make you read the book in astonishment and take your breath away throughout the pages. The novel also goes to the bottom of deception and being deceived. In this sense, it has the characteristic of a personal development book which tells you to get rid of all your negative thoughts, and points you to the right direction as to where to start solving your problems. While reading, you will find reflections of your own life, get the bottom of Galina's mistakes and consider whether they are really mistakes or not. Thus, you will have a chance to assess your own "mistakes." Quotations from numerous doyens like Sigmund Freud, Erich Fromm and Alfred Adler make the book worth-to-read over and over again and relieve the authenticity of the fictions.

Viscount Medardo is bisected by a Turkish cannonball on the plains of Bohemia; Baron Cosimo, at the age of twelve, retires to the trees for the rest of his days; Charlemagne's knight, Agiluf, is an empty suit of armour. These three vivid images are the points of departure for Calvino's classic triptych of moral tales, now published in one volume and all displaying the exuberant talent of a master storyteller.
