The book was interesting and well written as I love palm reading. It went well until I found out that all the plates, diagrams and pictures were missing. A palmistry book without sample prints of palms are of no use. Reading about the lines and mounts on the palm for examples of which the plates were omitted left me wondering whether anybody ...

Description. The famous scientist Cheiro introduces us into the wonderful world of one of the most ancient sciences of human civilization - palmistry. One of the most popular and bright palmists, foretellers and clairvoyants of the late 19th and early 20th centuries was William John Warner. But the world remembered him under the name Cheiro, which is an abridged version of the English word "palmistry."
