showy, they are powerful and are much-sought after. His secrets for painting with impact are the sensitive consideration of balance and contrast in tone, colour, handling qualities and compositional elements. Whether you're working on location with a limited palette or in the studio with all the time and materials at your disposal, the author talks you through the ways to capture the essence of a subject matter and the mood or sense of the place, and always with a something that will grab the viewer. The key elements are covered: Selection – what to paint and if necessary how to simplify or dramatise those elements; Mood – creating a strong sense of mood through choice of medium, colour and painting technique; Colour – choosing the right colours to suit the intentions of the
