The Marketing Manual is a step-by-step guide to solving your marketing problem. Through questions, practical examples and mini-case studies, this book demonstrates how to prepare your marketing plan. The Marketing Manual addresses the 3 fundamental questions facing the business planner: \*where are we now? \*where do we want to go? \*how do we get there? The workbook elaborates on these essential questions helping you to address your own marketing problem and work through to the preparation of an operational marketing plan.

Outlines the Department's organizational development and its response to changing conditions - national and international, scientific and economic. Appendix includes biographies of officials, a chronology of major events in USDA, etc.
