Aceh has become best known in our times for its twin disasters—the worst earthquake and tsunami of modern times in December 2004, and a long-running separatist conflict that rent Indonesia for most of its independent history. Although this book emerged from the process of recovery from those traumas, it turns the spotlight on a more positive and neglected claim Aceh has on our attention, as the Southeast Asian maritime state that most successfully and creatively maintained its independent place in the world until 1874. Like Burma, Siam and Vietnam, all better protected by geography, Aceh has its own story to tell of a unique culture struggling for survival through the European colonial era.

Criticism on Malay literary works; collection of articles.

# Read Book Syair Sinyor Kosta Siri Sastera

With particular emphasis on history, religion, literature and arts, this collection provides a multifaceted and representative picture of the classical civilizations of South-East Asia which will be of interest for comparative and cross-disciplinary studies in this field, as well as providing a number of historical and literary documents and translations of great scholarly value.
