“The Tell-Tale Heart” is a retelling of murder and madness, and it is considered to be a classic of American literature. As you read, take notes on the narrator’s point of view and his motivations. True! — nervous — very, very dreadfully nervous I had been and am; but why will you say that I am mad?

The old wives' tale that eating chocolate causes acne. Though some studies have proven there to be a link between increased chocolate consumption and breakouts, most experts believe that this relationship only exists because of the ingredients in the chocolate—like sugar and dairy—and not the chocolate itself. Basically, there's little to no evidence backing the common misconception that ...
