What Color Is Your
Parachute? 2020 A Book

Review **Understanding Your Life Through Color**

The book goes into great depth on the idea of "life colours"; each individual exhibits a certain colour in their aura for the entirety of their life and by working out which one is yours through the descriptions you can have a better idea of what to expect out of life and how to deal with it more effectively, cutting out lots of the stress that we experience through the decision making process.
